

iVeri Lite

SIMPLE. SECURE. ONLINE PAYMENTS.

Give your customers a secure and convenient way to pay online. iVeri Lite is a hosted payment page solution with minimal integration, helping merchants start accepting payments quickly while iVeri provides the secure payment environment.

WHY CHOOSE LITE?

A FASTER, SIMPLER WAY TO ACCEPT ONLINE PAYMENTS.

QUICK TO MARKET

Minimal integration means less development complexity and a faster route to go live.

SECURE PAYMENTS

Customer payment details are captured through a secure iVeri-hosted payment page.

REDUCED PCI DSS SCOPE

Sensitive data details are captured within iVeri's hosted payment environment, helping reduce PCI DSS scope.

YOUR BRAND YOUR CHECKOUT

Customer payment page is aligned to the merchant's corporate identity, including logos, colours and more.

3D SECURE

An additional layer of authentication and security for online transactions.

REPORTING & CONTROL

Use iVeri BackOffice for transaction history, lookup, reconciliation and transaction management.

HOW IT WORKS

A SIMPLE JOURNEY FOR YOUR CUSTOMER

FLEXIBLE INTEGRATION

THREE WAYS TO INTEGRATE

FULL REDIRECT

Redirect the customer to the iVeri-hosted payment page to complete payment.

LITEBOX

Present the hosted payment experience within the merchant's website for a more seamless checkout journey.

SHOPPING CARTS

Integrate Live with supported e-commerce shopping cart platforms.

WooCommerce
opencart
VirtueMart

IDEAL FOR

A GREAT FIT FOR MERCHANTS WHO:

- ✓ Want to accept payments through their website
- ✓ Have limited technical or development resources
- ✓ Want a simple e-commerce payment integration
- ✓ Need to get to market quickly
- ✓ Prefer not to capture sensitive card details directly on their website

THE CONVERSATION

Do you need a simple and secure way to accept payments through your website without building a complex payment integration.
